

LIVING THE LIFE

BEAUTICONTROL®

Doris Roque

National Executive Director

The **life** I love...

"BeutiControl has changed everything in my life," says Doris Roque. "I went from no income at all to a six figure income. I have developed a lifestyle that I never dreamed was possible, and it includes my dream home, a second home at the beach, beautiful jewelry and trips around the world."

Doris earned a bachelor's degree in finance, but chose to be a stay-at-home mom for her children. She first heard about BeutiControl from a friend who was selling the products, and she decided she would join too so that she could purchase products at a discount.

"My goal was to improve my physical image with the products," Doris says, "and it worked!" One of my friends noticed a change in me and I told her about the product I was using. She bought it on the spot! I realized then that I could sell the products just by telling my own story about how they've helped me."

Once she realized the potential of the BeutiControl opportunity, Doris got to know her Director and attended every event and unit meeting she could to learn how to grow. And it has surely paid off!

“

My inspiration comes from knowing that BeutiControl has given me the opportunity of helping so many people to change their lives, and see them fulfill their dreams.

”

Doris' greatest achievement was sharing her success on stage with her children at Celebration 2005 and 2006. She received recognition as the Top #1 Executive Director. "It was the most delightful moment. I could feel my children's pride through their shining eyes.

No amount of money can buy a moment like this—only this wonderful company can provide it.”

Doris most loves the empowerment she is able to provide for other women. It is this opportunity that has kept her excited and engaged for 12 years. “My inspiration comes from knowing that BeautiControl has given me the opportunity of helping so many people to change their lives, and see them fulfill their dreams,” says Doris. “My motivation today is the same that it has been from the beginning: my family and helping others fulfill their dreams.”

The next chapter of Doris’ story will include being promoted to the next level in the BeautiControl career path, and continuing to achieve their dreams. Her motto is: “Commit to the Lord whatever you want; if you believe in yourself and your dreams, you can make them come true.”

“Success has nothing to do with luck—it’s a matter of decision, persistence, consistency, and attitude,” says Doris. “Clearly define what you want to accomplish, then go out and achieve your goals.”
