BEAUTICONTROL®

Susan Huff

National Executive Director

The life I love...

"BeutiControl has given me freedom," says Susan Huff. "Freedom to pursue my own dreams, be my own boss, be more involved in my community. I would never had those opportunities if I would not have joined BeutiControl."

Susan received a phone call over twenty years ago. She was invited to learn more about makeup and how to become a BeutiControl consultant. She was interested...and that interest has turned into a lifelong love for the company, the products, and her team members.

"When I had my first \$500 party," says Susan, "I knew this was the business for me. I could have freedom and make a great income. I just took off from there." Susan enjoys the many benefits that her business has brought her, including the impact it has had on her family. "My son has

been able to go to a great school because of my business. I am very happy about that."

“There is no sense in worrying about negativity.” Each day is a new beginning to offer great service to our clients and enjoy the rewards of a great company.

” Susan's greatest achievement was being recognized as the #1 Director on her birthday. "The company threw a huge party for me! I felt so good," says Susan.
